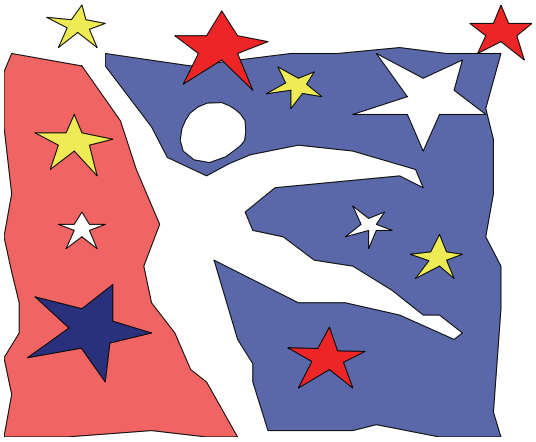
Contra Costa County Mental Health Division,
The Office for Consumer Empowerment and Mental Health Consumer Concerns proudly announce.....

SPIRIT

Mental Health Service Provider Individualized Recovery Intensive Training

Are you ready…?



for SPIRIT 2010

A comprehensive training and support program for mental health consumers who want to work as service providers in the mental health field.

- *Hands-on experience! 10-week Work-Study and Employment Support Seminar program follows for all who complete the course requirements.*
- *Participants will be selected for the allowance based on the written application and an in person interview.*
- *Classes will begin in January 2010*

Learn about yourself and your community; change your life!

YES I CAN! YES WE CAN!
