RE: 30-Day Report for the CWS Level 3 Event of January 15, 2007

Dear Mr. Sawyer,

In accordance with the December 14, 2004 Contra Costa Health Services (CCHS) Department Hazardous Materials Incident Notification Policy, Chevron is providing a 30 day written report for the Community Warning System Level 3 event that occurred at the Richmond Refinery on January 15th 2007.

The purpose of the attached report is to provide (1) additional information that was not included in the 72-hour report submitted on January 18th 2007 and (2) update on the status of the incident investigation.

If you have any questions or comments, please feel free to contact Matt Brennan of my staff at (510) 242-1862 or me.
