

CONTRA COSTA COUNTY CERTIFIED UNIFIED PROGRAM AGENCY

Fee Schedule Effective July 1, 2009

The following is the schedule of fees applicable to programs administered by the Contra Costa Certified Unified Program Agency ("CUPA"). Fees to fund the reasonable and necessary costs incurred by the Contra Costa County CUPA are authorized by California Health & Safety Code section 25404.5 and Section 15210 of Title 27 of the California Code of Regulations.

Hazardous Materials Business Plan Program

<u>Projected Inventory (Lbs. Of Material)</u>	<u># Employees</u>	<u>Current Fee</u>	<u>Proposed Fee</u>
Less than 1,000	N/A	\$96	\$192
1,000 or more but less than 10,000	0 to 19	\$101 - \$174	\$280
10,000 or more but less than 100,000	0 to 19	\$347 - \$462	\$668
100,000 or more but less than 250,000	0 to 19	\$604 - \$739	\$1912
250,000 or more but less than 500,000	0 to 19	\$805 - \$940	\$3,011
Less than 10,000	20 or more	\$504	\$744
10,000 or more but less than 100,000	20 or more	\$1,101	\$1,125
100,000 or more but less than 250,000	20 or more	\$2,194	\$2,380
250,000 or more but less than 500,000	20 or more	\$4,107	\$4,932
500,000 or more but less than 2.5 million	N/A	\$10,446	\$10,077
2.5 million or more but less than 10 million	N/A	\$20,577	\$17,681
10 million or more but less than 100 million	N/A	\$39,644	\$29,740
100 million or more but less than 1 billion	N/A	\$52,857	\$65,962
1 billion or more but less than 5 billion	N/A	N/A	N/A
5 billion or more	N/A	N/A	N/A
<u>Other</u>			
All oil refineries and class 1 off-site hazardous waste disposal sites	N/A	\$130,303	\$128,290
Unstaffed Remote Facilities			
• Exemption Processing	N/A	\$146	\$199
• Initial Notification of Inventory Change Processing	N/A	\$146	\$199

Hazardous Waste Generator Program

<u>Hazardous Waste Generated</u>	<u>Current Fee</u>	<u>Proposed Fee</u>
Less than 5 tons/year	\$151	\$316
5 or more tons, but less than 12 tons/year	\$287	\$431
12 or more tons, but less than 25 tons/year	\$287	\$648
25 or more tons, but less than 50 tons/year	\$2,305	\$1,001
50 or more tons, but less than 250 tons/year	\$5,760	\$2,138
250 or more tons, but less than 500 tons/year	\$28,806	\$7,024
500 or more tons, but less than 1,000 tons/year	\$57,613	\$11,063
1,000 or more tons, but less than 2,000 tons/year	\$86,419	\$14,754
2,000 or more tons/year	\$116,953	\$39,100

Onsite Treatment

• Permit By Rule (Fixed Units)	\$1,363	\$1,990
• Conditional Authorization	\$1,363	\$1,990
• Conditional Exemption and Commercial Laundry	\$50	\$398
• Conditional Exemption – Limited	\$50	\$398

Recycled Used Oil

• Greater than 55 gallons per year	N/A	\$100
• 55 gallons or less per year	N/A	\$33

Underground Storage Tank Program

<u>Underground Storage Tank Annual Permit</u>	<u>Current Fee</u>	<u>Proposed Fee</u>
Single tank of 1,000 gallons or less used solely in connection with the occupancy of a residence	\$322	\$398
First tank of 50,000 gallons or less	\$200	\$199*
Basic fee for tank of 50,000 gallons or less	\$548	\$697
Each tank of 50,000 gallons or more	\$953	\$1,194

* In addition to the basic fee, a surcharge of \$199 is applicable to the tank at each site that has the earliest installation date.

<u>Underground Storage Tank Inspection & Other Fees</u>	<u>Current Fee</u>	<u>Proposed Fee</u>
Permit Amendment or Transfer	\$146	\$199
Tank or Piping Modification or Repair Plan Review and Inspection		
• Base Fee	\$511	\$697
• Each additional hour or fraction thereof of staff time beyond 3.5 hours	\$146	\$199

Tank Lining Upgrade Plan Review and Inspection

• First tank	\$1,585	\$2,090
• Each additional tank	\$219	\$298
• Each additional hour or fraction thereof of staff time beyond 10.5 hours	\$146	\$199

Tank Installation Plan Review and Inspection

• New tank facility, first tank	\$2,701	\$3,682
• New tank facility, each additional tank	\$292	\$398

Tank and Piping Removal Plan Review and Inspection

• First tank	\$1,022	\$1,393
• Each additional tank	\$202	\$299

Field Installed Cathodic Protection Plan Review and Inspection

\$730	\$995
-------	-------

Tank Lining Inspection

• First tank	\$1,022	\$1,393
• Each additional tank	\$146	\$199

Piping, Under Dispenser Container and Sump Upgrade Plan Review and Inspection

• First tank	\$1,825	\$2,488
• Each additional tank	\$219	\$299

Under Dispenser Container or Sump Repair (Without Piping) Inspection

(Single Sump or Single Under Dispenser Container Repair)

\$511	\$697
-------	-------

Phase I EVR Upgrade Plan Review and Inspection

(Upgrade includes installation of Spill Containers)

\$365	\$498
-------	-------

Existing Under Dispenser Container Replacement Plan Review and Inspection

(Includes Soil Sampling)

\$511	\$697
-------	-------

Temporary Closure Plan Review and Inspection

• First tank	\$438	\$597
• Each additional tank	\$73	\$100

Monitoring System Change Plan Review and Inspection

\$584	\$796
-------	-------

Cold Start of Monitoring Panel Inspection

N/A	\$597
-----	-------

Penalty

The following penalty shall be applied and collectible from parties responsible for the following action:

Penalty

Failure to file and report a change in ownership or operator of an underground tank	\$500/tank	\$500/tank
---	------------	------------

This penalty is in addition to those that may be imposed under any other underground tank regulation.

California Accidental Release Prevention (CalARP) Program

Fees applicable to stationary sources will be determined according to the following formula, and are unchanged from the currently applicable fees:

Fee	=	(TC/TRF) x RF
TC	=	Total cost of the County's CalARP program
TRF	=	"Total Risk Factor," or the sum of the Stationary Source Modified Chemical Exposure Indexes (SSMCEI) of all stationary sources in the County
RF	=	"Risk Factor," or a stationary source SSMCEI

The TRF for the County and RF of a stationary source (SSMCEI) shall be determined pursuant to the Contra Costa County Health Services Department's California Accidental Release Prevention Program Relative Risk Determination Methodology, attached hereto as Exhibit A and incorporated herein by this reference.

Stationary Source Exemption Fees

	<u>Current Fee</u>	<u>Proposed Fee</u>
<p>Exemption Application Review (Per regulated substance per process; fee credited toward CalARP Program fees if exemption not granted)</p>	\$500	\$500
<p>Exemption Application Review (Per warehouse where regulated substances are stored, if source does not handle any regulated substance in a process; fee credited toward CalARP Program fees if exemption not granted)</p>	\$500	\$500
<p>Annual Administrative Fee (Assessed on all stationary sources that handle regulated substances on site but are exempt from preparing a Risk Management Plan)</p>	\$75	\$75
<p>Reduced Fee for Multiple Stationary Sources Companies that have multiple stationary sources that are substantially identical, as determined at the sole discretion of the Director of Health Services, or his designee, may be assessed a reduced fee. The fee for such a company shall be as follows:</p>		
• First stationary source	Full fee	Full fee
• Each additional substantially identical stationary source	Greater of \$75 or 10% of full fee	Greater of \$75 or 10% of full fee
<p>Reduced Fee for Non-Profit Organizations (Stationary sources owned by a non-profit organization, pursuant to 26 USC § 501(c).).</p>	Greater of \$75 or 10% of full fee (per stationary source)	Greater of \$75 or 10% of full fee (per stationary source)

Aboveground Petroleum Storage Act Program

<u>Tank Facility Description</u>	<u>Current Fee</u>	<u>Proposed Fee</u>
Facility with storage capacity of 1,320 or more gallons but less than 10,000 gallons	N/A	\$987
Facility with storage capacity of 10,000 or more gallons but less than 100,000 gallons	N/A	\$3,108
Facility with storage capacity of 100,000 or more gallons but less than 1 million gallons	N/A	\$4,661
Facility with storage capacity of 1 million or more gallons but less than 10 million gallons	N/A	\$6,215
Facility with storage capacity of 10 million or more gallons but less than 100 million gallons	N/A	\$9,097
Facility with storage capacity of 100 million or more gallons	N/A	\$12,510

Miscellaneous CUPA Fees

	<u>Current Fee</u>	<u>Proposed Fee</u>
Incident Response		
<ul style="list-style-type: none"> Each hour or fraction thereof of service time delivered by the County Health Services Department in connection with the characterization or remediation of site contamination by discharge of a hazardous substance, material or waste, if the owner, operator or other responsible person in charge of the site requests assistance from the County or where an inspection or an emergency response is necessary to verify compliance with State and County regulations or to assure public safety. This includes responses to illegal drug labs. 	\$146/hr.	\$199/hr.
<ul style="list-style-type: none"> Each hour or fraction thereof of staff time after 5 p.m. until 8:00 a.m. Monday through Friday, and on Saturday, Sunday and County holidays. 	\$170/hr	\$222/hr.
Re-Inspection Fee	\$146/hr.	\$199/hr.
For each hour or fraction of staff time Monday through Friday between 8:00 a.m. and 5:00 p.m. that it takes to perform any additional inspections beyond the routine or initial inspection and one follow-up inspection will be charged at the following rate.		
Document Search	\$146/hr.	\$199/hr.
Each hour or fraction thereof of staff time Monday through Friday between 8:00 a.m. and 5:00 pm. Shall be charged to any consulting firm, realtor, lending institute or other commercial enterprise for services performed in complying with document research requests for these enterprises.		
Pro-Rata Fee		No Change
