

# BULLETIN

on Registered Nurses' Contract

---

February 14, 2008

No. 4

Greetings,

CNA and the County met on February 13 and continued to exchange and discuss proposals.

Because a number of questions have been asked about some issues, we have launched a new publication: Questions and Answers. This week's questions and answers address:

- Health benefits for CNA members who are now employed
- Health benefits for CNA members who are retired and
- Strategies to enhance nursing professionalism

The Questions and Answers are available on-line at [cchealth.org](http://cchealth.org)

Previous issues of this Bulletin describing earlier negotiating sessions and more information about Contra Costa Health Service, Contra Costa Regional Medical Center and the nurses' contract, are available on [cchealth.org](http://cchealth.org). Send questions to [jfreestone@hsd.cccounty.us](mailto:jfreestone@hsd.cccounty.us). Due to the confidential nature of the negotiations, specific details about the bargaining or terms cannot be discussed by County staff. CNA members should contact their local CNA representatives for additional details.
