A. Disclaimers

Our plan provides Medicare and Medi-Cal services to individuals who are eligible for both programs. Our plan includes doctors, hospitals, pharmacies, providers of long-term services and supports, behavioral health providers, and other providers. We also have Care Managers and care teams to help you manage your providers and services. They all work together to provide the care you need.

- ❖ This Directory lists health care professionals (such as doctors, nurse practitioners, and psychologists) and facilities (such as hospitals or clinics). This Directory also lists Long-term Services and Supports (LTSS) providers (such as Adult Day Health and Home Health providers) that you may use as a Care Plus member. We also list the pharmacies that you may use to get your drugs.

- ❖ These are referred to as “network providers” in this Directory. These providers signed a contract with us to provide you services. This is a list of Care Plus’s network providers for Contra Costa, Alameda, and Solano Counties.

❖ Doctors and other health care professionals in Care Plus's network are listed in Section Pharmacies in our network are listed in Section E.

You can use the Index in the back of the Directory to find the page where a provider or pharmacy is listed.

B. Background Information about Care Plus's Network Providers

B1. Key terms

This section explains key terms in our Directory.

- **Providers** are professionals such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, Long-term Services and Supports (LTSS), supplies, drugs, equipment, and other services.
- The term **"providers"** includes facilities such as hospitals, clinics, and other places that provide medical services and medical equipment.
    - It also includes LTSS providers that you may use as a Care Plus member.
    - Providers that are a part of our plan's network are called network providers.
- **Network providers** have contracted with us to deliver services to members of our plan. Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. When you use a network provider, you usually pay nothing for covered services.
- A **Primary Care Provider** (PCP) is a provider who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time. Your PCP will also give you a referral if you need a specialist or other provider.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
    - Oncologists care for patients with cancer.
    - Cardiologists care for patients with heart conditions.
    - Orthopedists care for patients with certain bone, joint, or muscle conditions.

You may need a referral or prior authorization for a specialist or someone that isn't your PCP. A referral means that your network PCP must give you approval before you can use the other provider. A prior authorization is different than a referral. It means that Care Plus (not your network PCP) must give you approval before we'll cover a specific service, item, or drug or an out- of-network provider. If you don't get a referral or prior authorization, Care Plus may not cover the service, item, or drug.

    - Referrals or prior authorization aren't needed for:
        - emergency care;
        - urgently needed care;
        - kidney dialysis services that you get at a Medicare-certified dialysis facility when you're outside the plan's service area; or
        - services from a women's health specialist.
    - More information on referrals and prior authorization is available in Chapter 3 of the Member Handbook.

- You'll also be assigned a Care Team. Your Care Team consists of your PCP and the nurses, physicians, and staff that work with them. Everyone on the Care Team works together to make sure your care is coordinated. This means that they make sure that you get all of the tests, labs, and other care that you need, and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that they can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers. Members of your Care Team may include:
    - A **Care Manager** that helps you manage your medical providers and services.
    - Your **Primary Care Provider**

Your Care Team will also help you find other providers of medical, behavioral health, or Long- term Services and Supports (LTSS) if you need a specialist or other health care provider. That way, you'll get the right provider to help you with your concerns.

B2. Wait times for primary care and behavioral health

We must provide you with access to primary care and behavioral health services within the following timeframes:

- immediately for urgently needed services or an emergency;
- within 7 days for services that aren't an emergency or urgently needed, but you require medical attention; or
- within 30 days for routine and preventative care.

B3. How to choose a Primary Care Provider (PCP)

First, you will need to choose a Primary Care Provider (PCP). You may be able to have a specialist act as your PCP if you are receiving care from an OB/GYN specialist and it is agreed to and meets criteria for a PCP. You can choose any PCP in our network who is accepting new members.

- To choose a PCP, refer to the list of providers in Section C and choose a provider
    - that you use now, **or**
    - who has been recommended by someone you trust, **or**
    - whose offices are easy for you to get to.
- If you don't choose a PCP in our network, Care Plus will choose one for you.
- If you want help in choosing a PCP, please call Member Services at 844-729-8411 (TTY 711), 7 days per week, 8 a.m. – 8 p.m. The call is free. Or, visit https://www.cchealth.org/CarePlus.
- If you have questions about whether any service or care that you want or need is covered, talk to your Care Team or call Member Services at 844-729-8411 (TTY 711) and ask before you get the service or care.

B4. Long-term Services and Supports (LTSS) providers

As a Care Plus member, you'll be able to get Long-term Services and Supports (LTSS) if you need them, such as Skilled Nursing Facilities, Adult Day Care, Respite Care, Hospice Care, Home Health Care, Transportation Services, and Home Health Care. LTSS help people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital.

If you need LTSS, your Care Manager can help you and your Care Team determine what options are available to support you in the way you want.

B5. How to access Care Plus's network providers

You may need a referral for someone who isn't a Primary Care Provider (PCP). There's more information about referrals in **Section B1.**

You must get all of your covered services from providers within our network. If you use providers who aren't in Care Plus's network **(without prior authorization), you'll have to pay the bill.**

> A **prior authorization** is an approval from Care Plus to seek services outside of our network or to get services not routinely covered by our network **before** you get the services.

The only exceptions to this rule are when you need urgent or emergency care or dialysis and can't get to a provider in the plan, such as when you're away from home. You can also go outside the plan or your PCP's Network for other non-emergency services if Care Plus gives you permission first.

- You may change providers within the network at any time during the year. If you've been using one network provider, you don't have to keep using that same provider.
- Care Plus works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.
- If you need a provider and aren't sure if they offer the accommodations you need, Care Plus can help you. Talk to Member Services for assistance

C. Care Plus's List of Network Providers

This part of the Directory includes a list of Care Plus's network providers who participate in and accept Care Plus. It contains:

- **Health care professionals** including primary care providers, specialists, behavioral health providers, dental service providers, and vision service providers;
- **Facilities** including hospitals, nursing facilities, and behavioral health facilities; and
- **Support providers** including Long-term Services and Supports (LTSS) (for example, adult day health) and community support services (for example, peer supports)

Note about Dental Providers:
Starting July 1, 2026:
Medi-Cal covers comprehensive dental benefits for:

- Members who are eligible for federal full-scope Medi-Cal
- Members who are not eligible for federal full-scope Medi-Cal and meet at least one of the 3 exceptions below:
  - Under age 19;
  - Designated by the county as pregnant (and up to one year after pregnancy ends); and/or
  - Designated by the county as foster youth or former foster youth under age 26 who were in foster care on their 18th birthday.

Dental benefits are accessible through Dental Fee-for-Service (FFS), Dental Managed Care Plans (Dental MCP), or Health Plan of San Mateo (HPSM).

- FFS providers are listed in the Provider Directory on the Smile, California website:www.dental.dhcs.ca.gov/Members/Medi_Cal_Dental/Find_A_Dentist/DentalProviderDirectorySearch.
- DMC providers are listed on the DMC Plans' websites available here: www.dhcs.ca.gov/services/Pages/ManagedCarePlanDirectory.aspx.
- And, HPSM providers are listed here: www.hpsm.org/member/choose-a-provider/find-a-provider.

> **Cultural Competency (Diversity, Equity, & Inclusion) Training** is additional instruction for our health care providers that helps them better understand your background, values, and beliefs to adapt services to meet your social, cultural, and language needs.

Providers are grouped by whether they are a PCP or a specialist, and then by their specialty, and are listed in alphabetical order by last name. You can also find the provider's name and the page where the provider's additional contact information is in the Index at the end of the Directory. Providers are listed in alphabetical order by last name in the Index. In addition to contact information, provider listings also include specialties and skills, such as languages spoken (including American Sign Language (ASL)) or completion of Cultural Competency (Diversity, Equity, & Inclusion) Training

All providers in this provider directory accept both Medicare and Medicaid.

C2. Physical Accessiblity Indicators

Accessibility Indicator	Explanation
P = PARKING	Parking spaces, including van accessible spaces(s), are accessible. Pathways have curb ramps between the parking lot, office, and at drop off locations.
EB = EXTERIOR BUILDING	Curb ramps and other ramps to the building are wide enough for a wheelchair or scooter user. Handrails are provided on both sides of the ramp. There is an "accessible" entrance to the building. Doors open wide enough to let a wheelchair or scooter user enter, and have handles that are easy to use.
IB = INTERIOR BUILDING	Doors open wide enough to let a wheelchair or scooter user enter, and have handles that are easy to use. Interior ramps are wide enough and have handrails. Stairs, if present, have handrails. If there is an elevator, it is available for public patient use at all times the building is open. The elevator has easy to hear sounds and Braille buttons within reach. The elevator has enough room for a wheelchair or scooter user to turn around. If there is a platform lift, it can be used without help.
R = RESTROOM	The restroom is accessible and the doors are wide enough to accommodate a wheelchair or scooter and are easy to open. The restroom has enough room for a wheelchair or scooter to turn around and close the door. There are grab bars which allow easy transfer from wheelchair to toilet. The sink is easy to get to and the faucets, soap, and toilet paper are easy to reach and use.
E = EXAM ROOM	The entrance to the exam room is accessible, with a clear path. The doors open wide enough to accommodate a wheelchair or scooter and are easy to open. The exam room has enough room for a wheelchair or scooter to turn around.
T = EXAM TABLE/ SCALE	The exam table moves up and down and the scale is accessible with handrails to assist people with wheelchairs and scooters. The weight scale is able to accommodate a wheelchair.
B = BASIC ACCESS	Demonstrates facility site access for the members with disabilities to parking, building, elevator, doctor's office, exam room and restroom.
L = LIMITED ACCESS	Demonstrates facility site access for the members with a disability is missing or is incomplete in one or more features for parking, building, elevator, doctor's office, exam room, and restroom.
ME = MEDICAL EQUIPMENT ACCESS	PCP site has height adjustable exam table and patient accessible weight scales per guidelines (for wheelchair/scooter plus patient).
PA = PARTICIPANT AREAS	Patient/client areas are accessible including wheelchair or scooter users to use activity, therapy and quiet rooms.
PD = PATIENT DIAGNOSTIC AND TREATMENT USE	Diagnostic apparatus and treatment rooms are accessible for the wheelchair/ scooter user; apparatus is height adjustable; weight scale is accessible; patient transfer is provided by trained staff.

DISCLAIMER: The assessment of facility accessibility is not intended to provide an overall assessment of Americans with Disabilities Act (ADA) components of the subject area and is not to certify subject area is in complete compliance
