## Bienvenido al Plan de Salud de Contra Costa Directorio de Proveedores

Este directorio es una lista de los servicios médicos del **Plan de Salud de Contra Costa (Contra Costa Health Plan, CCHP)** y dónde puede encontrarlos. Incluye:

- Profesionales de atención médica como proveedores de atención primaria (primary care providers, PCP), especialistas; y
- Centros como atención urgente, hospitales, centros de enfermería especializada y farmacias.

Este Directorio de Proveedores le ayuda a encontrar el proveedor médico ideal para usted. Como miembro de **CCHP**, puede elegir a su Médico de Atención Primaria (PCP) de nuestra amplia Red de Proveedores. Para más información, comuníquese con Servicios para Miembros al 1-877-661-6230 (TTY 711).

### Cómo elegir o cambiar de proveedor de atención primaria (PCP)

Elija un proveedor para usted y su familia de los PCP enumerados en la sección titulada Proveedores de atención primaria. Si desea cambiar de PCP, nuestros representantes de Servicios al Miembro están disponibles para ayudarle. Llámenos a la línea gratuita al 1-877-661-6230 (TTY 711). Nuestro horario de atención es de lunes a viernes, de 8:00 a.m. a 5:00 p.m.

you can see the other provider. Your PCP may decide to refer you to a doctor who is a Specialist so that you can get care for a specific medical condition. Most covered services that are not provided by your PCP, such as specialty services, non-emergency hospital services, laboratory and x-ray services, need approval by your PCP. Your PCP will refer you to a CCHP specialist doctor, hospital, or other CCHP provider from whom you may receive services. If there is not a CCHP provider available to perform the medical services you need, your PCP will ask CCHP to refer you to a non-CCHP provider for the services. CCHP may not cover the service if you don't have a referral and prior approval.

### **Language Services**

Health Plan members have the right to get medical services in a language they can understand. These rights include being able to request an interpreter free of charge. CCHP discourages the use of family members, friends or minors to interpret or translate materials.

We have interpreters available who know many languages, including sign language. If you need an interpreter, call a Member Services Representative at 1-877-661-6230 (TTY 711).

### **Timely Access to Care**

The California Department of Managed Health Care (DMHC) has regulations set forth in Title 28, Section 1300.67.2.2 for health plans to provide timely access to care for our members.

Timely access standards include:

- Urgent care appointments not requiring prior authorization: within: 48 hours
- Urgent care appointments requiring prior authorization: within: 96 hours
- Non-urgent appointments for primary care: within 10 business days
- Non-urgent appointments with specialists: within 15 business days
- Non-urgent appointments with a non-

### **Proveedores de referencia**

Es posible que necesite una referencia para ver a un especialista o a alguien que no sea su PCP. Una referencia significa que su PCP de la red debe darle su aprobación antes de que pueda ver a otro proveedor.

Su PCP puede decidir referirlo a un médico que sea un especialista para que pueda obtener atención para una afección médica específica. La mayoría de los servicios cubiertos que no son proporcionados por su PCP, como servicios de especialidad, servicios hospitalarios que no sean de emergencia, servicios de laboratorio y rayos X, necesita la aprobación de su PCP. Su PCP lo referirá a un médico especialista de CCHP, hospital u otro proveedor de CCHP de quien puede recibir servicios. Si no hay un proveedor de CCHP disponible para realizar el servicio médico que necesita, su PCP pedirá al CCHP que lo refiera a un proveedor que no sea del CCHP para obtener los servicios. Es posible que CCHP no cubra el servicio si no tiene una referencia y aprobación previa.

### **Servicios de idiomas**

Los miembros del plan de salud tienen derecho a recibir servicios médicos en un idioma que puedan comprender. Estos derechos incluyen poder solicitar un intérprete en forma gratuita. El CCHP desaconseja acudir a familiares, amigos o menores para interpretar o traducir los materiales.

Contamos con intérpretes que conocen muchos idiomas, incluso la lengua de señas. Si necesita un intérprete, llame a un representante de Servicios al Miembro al 1-877-661-6230 (TTY 711).

### **Acceso oportuno a la atención**

El Departamento de Atención Médica Administrada (Department of Managed Health Care, DMHC) de California tiene reglamentaciones, establecidas en la Sección 1300.67.2.2 del Título 28, para que los planes de salud proporcionen acceso oportuno a la atención a los miembros.

Las normas de acceso oportuno incluyen:

physician mental health care provider:  
within 10 business days

- Non-urgent appointments for ancillary services for the diagnosis or treatment of injury, illness or other health conditions: within 15 business days
- Telephone triage waiting time not to exceed 30 minutes

Exceptions may apply to the timely access standards if DMHC has found exceptions to be permissible. Interpreter services are available at all CCHP points of contact where members may reasonably need such services.

If you have a timely access concern, you can contact Contra Costa Health Plan's Utilization Management at 1-877-661-6230 (TTY 711) option 4 or file a grievance with CCHP Member Services by calling 1-877-661-6230 option 2. Grievance forms are also available on the CCHP website [www.contracostahealthplan.org](http://www.contracostahealthplan.org).
